## SYNOPSIS

Nythan was looking forward to college—Florida beaches, girls, maybe even a class or two. Now, he'll be happy just to survive...

**When an ancient demon called the Soulstealer** takes him as its host, Nythan's normal life is thrown into torturous chaos. The demon has only one demand—help it steal the souls of the living so that it might leave this world.

**A secret order known as the Ordo Solis** has other plans. They've been chasing the Soulstealer one host at a time for thousands of years, and their sights are set on Nythan. Their oath is simple—kill the host, save the world. Trapped between saving the world and saving himself, Nythan needs a plan. Will he survive? *He'd be the first...*

**This coming-of-age urban fantasy** bleeds with action and suspense in a fast-paced, supernatural thrill-ride that will keep you turning pages.

## THE AUTHOR

**SHANE BOULWARE** is an unconventional idealist from Orlando, Florida. *Naturally*, he commissioned as a Contracting Officer in the United States Air Force in 2012, where he promptly got tased, was hit with pepper

spray, participated in a mock riot, jumped out of an airplane, and lived in a combat zone. These experiences tempered his creative instinct and led him to publish two music albums, found an innovation company, break a Guinness World Record, and learn over sixteen dance styles.

Having grown up a huge fan of *Dune*, *Star Wars*, *Stargate SG-1*, *Warhammer 40K*, *Harry Potter*, *Avatar: The Last Airbender*, and *The Lord of the Rings*, Shane always wanted to create and share a world of his own. His imagination set him on a path to write the supernatural thriller, *Soulstealer*, and its sequel, *Ordo Solis*.

When he's not negotiating contracts or salsa dancing the night away, you can find Shane taking his creative passion out on an unsuspecting keyboard.
